- 

---

## Experience/Projects

---

### SJSU / course work

2021-2022

- ❖ Through my upper division major classes I have learned and gained valuable skills regarding my growing expertise in art and design:
    - Vector styling in illustrator
    - Designing templates in photoshop
    - Color theory
  - ❖ Created my own website using Bootstrap and HTML
  - ❖ Learned and executed an aesthetically pleasing and user friendly website
  - ❖ Excelled in working with 3D animating and sculpting programs such as Blender and Zbrush
- 

---
